Subject: copies

Hi Betsy-

I have received a request for a discovery packet for Lab #s [REDACTED] and, although I tested the submission here, I do not have a copy of the drug receipt, any chain of custody stuff you may have, and the evidence control card. Would it be possible for you to fax me a copy so that I can give the ADA the complete packet? Thanks.

-Sonja

p.s. Should I be asking you for copies, or is there someone else that I should contact?
